Grandmaster Dr. Jonathan Rowson at CVV

16

MESSAGE FROM VICE CHANCELLOR

Dear CVV Family Members,

Hari Om! Salutations!

I extend my warm greetings to each one of you. With the arrival of a new batch of students this month, we begin another promising academic journey together. Each new cohort brings fresh energy, ideas, and aspirations, and it is our collective responsibility to nurture them with wisdom, compassion, and excellence.

As we welcome this new phase, let us also reaffirm our commitment to teamwork and collaboration. By supporting one another and sharing our strengths, we can continue to create an environment that encourages innovation, inclusivity, and holistic growth for our students.

At Chinmaya Vishwa Vidyapeeth, the dedication of our faculty and staff is the foundation of our growth and success. I sincerely thank each one of you for your tireless efforts in shaping the lives of our students and strengthening the university's vision of value-based education. May this academic year be enriching, inspiring, and fulfilling for all of us.

Warm regards,

Prof. Ajay Kapoor
Vice Chancellor
Chinmaya Vishwa Vidyapeeth

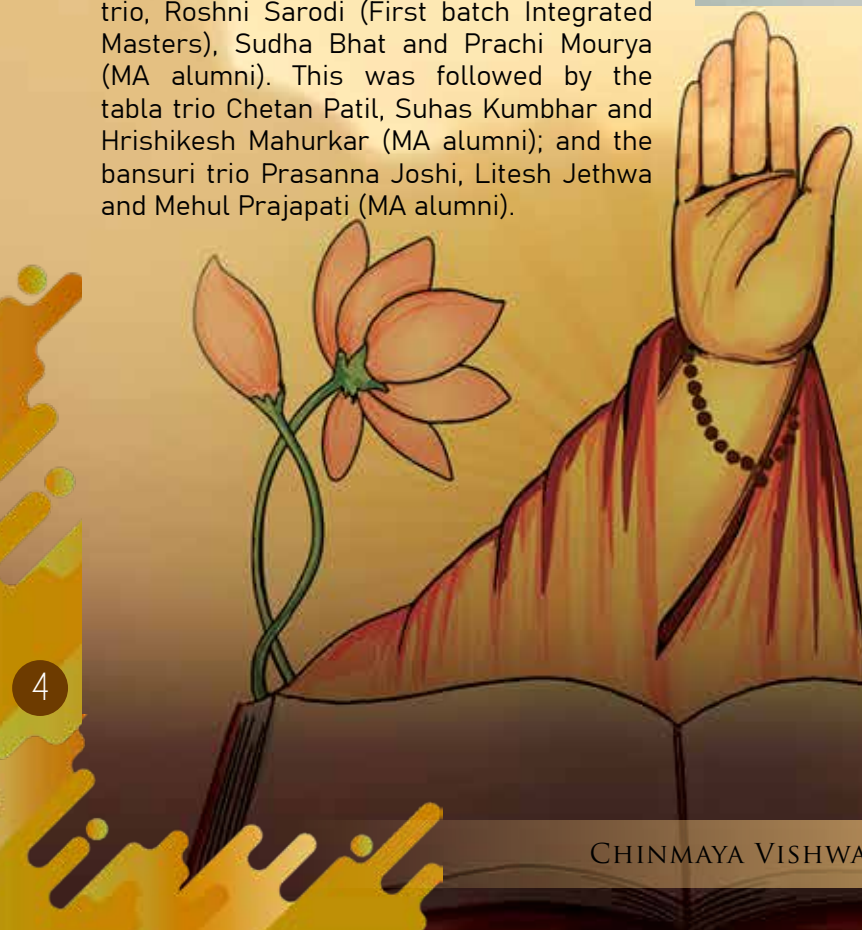
Guru Purnima Celebrations 2025

This year, Guru Purnima was on 10 July 2025 and was celebrated with a paduka pooja at the CEG campus. At the LP facility, the pooja was performed by Mr. Narayan Shete Babe, and at the PP facility, it was conducted under the guidance of Sri Ravindran. After the pooja, sweets were distributed to the students during the lunch break.

Class teachers or course coordinators engaged the students on the topic of reverence for guru/teachers who have impacted their lives, and about the significance of Guru Purnima. This was followed by the chanting of the Gurustotram, which was displayed on the interactive panel. Students chanted along with an audio recording at 9:45 AM, facilitated simultaneously by the IT team, enabling all the students to chant together.

At the CNBG campus, Guru Poornima was celebrated with musical offerings from alumni on 11 July 2025. The event began with a short Guru Paduka Pooja by the three music gurus of CNBG, Pt. Abhijit Banerjee, Pt. Rupak Kulkarni and Vid. Manjusha Patil.

Highlighting the three streams of music, there were three separate concerts by trios in each stream, starting with the vocal trio, Roshni Sarodi (First batch Integrated Masters), Sudha Bhat and Prachi Mourya (MA alumni). This was followed by the tabla trio Chetan Patil, Suhas Kumbhar and Hrishikesh Mahurkar (MA alumni); and the bansuri trio Prasanna Joshi, Litesh Jethwa and Mehul Prajapati (MA alumni).



The highlight was the final concert by three of the first batch Integrated Masters' alumni, the mixed trio of Jaykishan Hingu (Bansuri), Tanishq Arora (Vocal) and Dipin Das (Tabla).

The vocal and mixed were accompanied by Nachiket Haridas on the harmonium. Supriyo Roy (MA 2nd Year) accompanied the Vocal Trio on Tabla. Chetan Patil and Suhas Kumbhar accompanied the Bansuri Trio on Pakhawaj and Tabla, respectively.

The performers were acknowledged by Dr Atul Kamble (Head, School of Kalayoga). They also received valuable inputs from all three gurus, who asserted the importance of continuous learning, even after students complete the MA programme, as learning is a continuous, lifelong process.

FRIENDSHIP DAY AT CVV

The CUSEC Club organised a Friendship Day celebration on 30 July 2025 in association with the Dance and Fashion Clubs at the Warriam Road facility. The event began with a prayer and a briefing on its objectives of fostering unity and joy among students while also providing commerce students practical exposure to event management and entrepreneurship. Rooted in the concept of 'learning by

FRIENDSHIP DAY

doing', the programme allowed students to apply classroom knowledge through organising dance performances, games, and other activities, promoting teamwork and bonding.

To fund the celebration, students independently managed food and accessories stalls, preparing all items without external help. This experience helped them develop vital business skills such as budgeting, pricing, customer service, and profit planning. They also practised the five key functions of management planning, organising, staffing, directing, and controlling, enhancing their leadership, decision-making, and problem-solving abilities. With an initial investment of ₹1346, the students earned ₹1840, spent ₹229 on gifts, and contributed a profit of ₹265 to the department for future events.

The celebration successfully blended joy with experiential learning, aligning with the CUSEC Club's mission of holistic student development. The following statement, prepared by the students, outlines the income and expenditure from the stalls they managed during the event.

Visit to Pambakuda Grama Panchayat Committee Meeting

As part of the academic engagement under the course Indian Constitution and Human Rights (ICH), students of the School of Ethics, Governance, Culture and Social Systems (EGCS) attended the Pambakuda Grama Panchayat Committee Meeting on 7 July 2025. This initiative aimed to offer students an immersive experience of grassroots democracy in action.

The officials graciously allowed the students to observe the committee meeting, offering them printed copies of the meeting agenda.

The meeting commenced at 11:40 AM, starting with a brief yet informative introduction by the panchayat officials on the Panchayati Raj System—its three-tier structure, administrative functions, and the various roles of elected representatives. The students also learned about the specific ward under which the University falls and were introduced to the elected member representing that ward.

During the meeting, a variety of key issues and policy matters were discussed, providing the students with a rich and authentic experience of how local governance works:

Students were given the opportunity to interact with panchayat members, the panchayat president and panchayat officials.

A representative from the local ration shop raised public concerns, prompting a lively interaction between panchayat members and the public representative. This exchange highlighted the dialogic and participatory nature of local governance. The Swachh Bharat Mission and its application at the local level were discussed, emphasising ongoing efforts in sanitation and public cleanliness initiatives.

The committee engaged in a critical debate regarding unauthorised construction near a tourist site in the panchayat. Members weighed the pros and cons, considering both development and environmental responsibility.

In closing, the panchayat secretary addressed the gathering, expressing appreciation for the students' curiosity and initiative. He commended the younger generation for actively engaging with the democratic dialogue at the grassroots level.

Before leaving, students Amar and Shreya (B.A.B.Ed and B.Sc.B.Ed.) expressed their thoughts on the session, appreciating the openness and relevance of the issues discussed.

The discussions were intense and passionate, reflecting the depth of community engagement. The meeting officially concluded around 2:10 PM.

This visit provided students with an invaluable experiential learning opportunity, offering a real-time understanding of the Panchayati Raj system and the dynamic role of local self-governance. Though lectures and textbooks provide foundational knowledge, nothing compares to the two and a half hours of authentic engagement we experienced during this committee meeting. It was, without a doubt, an engaging and unforgettable experience—one that deepened our understanding of participatory democracy and community-centred governance.

Collaboration Discussion with Molecules Bio Labs Pvt. Ltd.

Dr. Praveen K M (Assistant Dean - Learning and Innovation & Associate Professor, IST), Mr. Athul Ravi (Assistant Director (Academics), Centre for IKS-CKS integration & Assistant Professor of Chemistry, IST), and Mr. Sharath T. R. (Assistant Professor of Mechanical Engineering, IST), visited Molecules Bio Labs Pvt. Ltd. on 28 July 2024 to initiate discussions on establishing a collaborative research partnership between the company and CVV.

The visit was hosted by Dr. Sreeraj Gopi, Founder and Managing Director of the Molecules Group of Companies, who facilitated a series of focused discussions aimed at identifying potential areas of research collaboration. The team also engaged with Dr. Sreerag Gopi, Co-founder and Director of the Molecules Group of Companies and Dr. Preetha Balakrishnan, Chief Scientific Officer at Molecules Biolabs, to explore possibilities for advancing joint research and development projects.

Molecules Bio Labs is a pioneering enterprise in the field of advanced drug development, with a strong emphasis on the formulation and targeted delivery of bioactive compounds through cutting-edge technologies.

The company's focus on enhancing bioavailability, formulation stability, and precision delivery through next-generation delivery platforms aligns closely with CVV's vision to promote interdisciplinary and translational research. The discussions concluded with a mutual interest in formalising the collaboration through an MoU. This potential partnership is expected to enrich CVV's research ecosystem and offer valuable experiential learning and research opportunities for students and faculty alike.

This initiative reflects CVV's commitment to nurturing academia-industry collaboration and contributing meaningfully to societal advancement through research and innovation.

Karkitaka Masacharanam

Ramayana Prashnothari (Quiz Competition)

As part of the Karkitaka Masacharanam observance (16 July to 15 August 2025), the Grantha Club organised a Ramayana Prashnothari (quiz Competition) on 30th July 2025, at the Warriam road and Onakkoor facilities. The competition aimed to enhance students' awareness of the profound values and teachings embedded in the Ramayana, while fostering a spirit of joyful learning and cultural engagement.

Students from BCom, BBA and BSc Psychology participated in the event. Ms. Devika S., from S3 B.Com (PP Facility), was declared the winner. The quiz was coordinated by Ms. Nayana Rupesh (BCom Semester 5) and conducted by quiz master Ms. Meenakshi S., (BCom semester 3). Guru Kaushikacharya (BTech CSE, 3rd Semester) also assisted in organising the event as part of the Grantha Club's annual coordination.

Ramayana Chanting Competition

As part of the same Karkitaka Masacharanam initiative, the Grantha Club conducted an online Ramayana Chanting Competition on 31st July 2025, for the students of the PP and LP facilities. Participants had to chant select verses from the Ramayana with devotion and clarity. The session created a meditative and uplifting atmosphere, allowing students to connect deeply with the sacred text and reflect on its timeless wisdom. Ms. Avanthika Anil (B.Com. Semester 2) was adjudged the winner for her soulful and accurate recitation.

Final Day

The observance of Karkitaka Masacharanam concluded on 15 August 2025 at the Warriam Road facility.

Celebrating the Wonder of Pi: π-Thrika Brings Math to Life

Sankhya Samartha, the Mathematics Club CVV, celebrated Pi Approximation Day through an engaging event titled π-Thrika on 30 July 2025 at the LP facility, Onakkoor.

The event was organised to promote mathematical thinking through interactive games. The event featured five creatively designed activities: Gyan Gaadi (quiz-based board game), Pi-Chakra (pi digit memorisation contest), Rang Yantra – Cube Wiz 2025 (Rubik's Cube challenge), SYMGO (symbol-based Bingo), and Pin the Pi @ Centre (a fun blindfold challenge). The celebration aligned with SDG 4: Quality Education, encouraging inclusive and experiential learning.

The event was coordinated by Dr. Neha Elizabeth Thomas (Assistant Professor, IST) and Ms. Amalu Kattunilam (Assistant Professor, School of Ethics, Governance, Culture and Social Systems), with student leadership from Harimahima M. (third semester B.Sc. B.Ed Mathematics) and Sreemanthula Koushik (third semester B.Tech Computer Science and Engineering).

π-Thrika brought together students and faculty across disciplines, transforming the abstract world of mathematics into a vibrant celebration of logic, creativity, and fun.

Catalyst 2025

Phase 2 Ignites Student Innovation at CVV

The Innovation and Entrepreneurship Development Centre (IEDC) of Chinmaya Vishwa Vidyapeeth (CVV), in collaboration with CVV-IIC, hosted Catalyst 2025 – Phase 2 on 16 July 2025 in offline mode. The flagship ideation initiative of IEDC brought together 96 participants across 22 student teams, making it a dynamic platform for showcasing creativity, problem-solving, and entrepreneurial thinking.

The event was evaluated by an eminent jury panel comprising Mr. Nitheesh Kurian (IEDC Nodal Officer & Coordinator, Rajagiri ORBIIT – Incubation Centre), Dr. Savitesh M Sharma (President, IIC), Mr. Kumaraperumal (Associate Professor, CVV-IST), and Mr. Ganesh Kumar (Assistant Professor, School of CKS).

After a warm welcome and jury introduction, student teams pitched their innovative solutions addressing real-world challenges, aligned with Sustainable Development Goal 8 – Decent Work and Economic Growth. Each team presented their problem statements, proposed solutions, and business models within the given timeframe. The jury engaged with thought-provoking questions, offering valuable insights and constructive feedback to refine the ideas further.

The four-hour session witnessed high-energy presentations ranging from tech-enabled innovations to socially-driven models. Students demonstrated clarity of thought, effective communication, and entrepreneurial passion, making the event both competitive and collaborative.

In his remarks, Dr. Sharma highlighted the importance of such platforms in "grooming innovators who can create sustainable impact while building entrepreneurial confidence."

The event concluded with the shortlisting of several standout ideas for mentorship, incubation, and integration into the larger IEDC ecosystem. More than a competition, Catalyst 2025 emerged as a collective journey of idea exchange, peer learning, and collaboration, strengthening CVV's innovation culture.

The program was coordinated by Ms. Anupama Jims (Assistant Professor, CVV-IST) and Dr. Savitesh Madhulika Sharma (Professor, CVV-IST), with student coordination led by Mr. Krishna K (3rd Year, B.Tech Computer Science).

World Chocolate Day Celebration

The CUSEC Club of CVV organised a vibrant celebration on World Chocolate Day on 10 July 2025. The event was conducted under the School of Contemporary Knowledge Systems (CKS) in association with the Innovation and Entrepreneurship

Development Centre (IEDC). The programme aimed to provide students with inspiration, entrepreneurial exposure, and joyful learning through interactive sessions and entertainment activities.

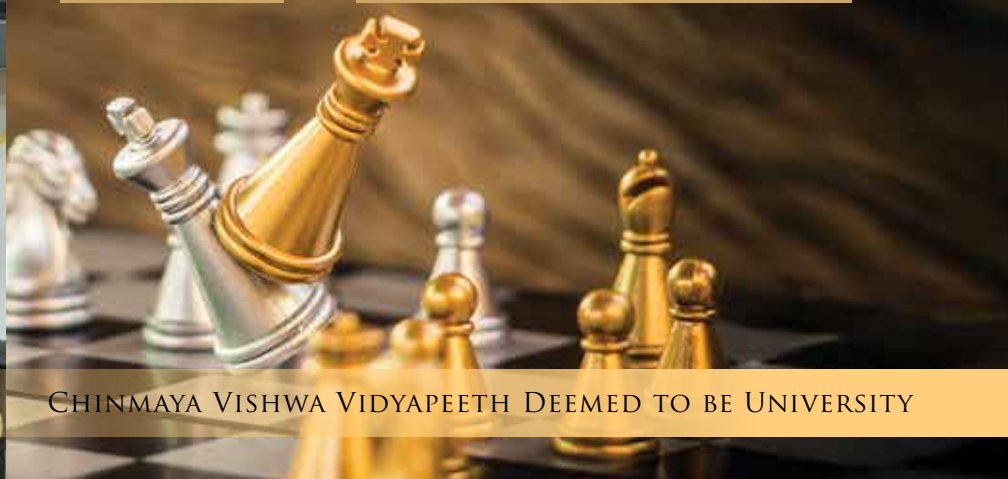
The keynote speaker, Mr. Bobby John, Founder of Pristine Chocolates, shared his entrepreneurial journey, covering various aspects such as overcoming market competition, managing funding, and building a successful brand. Students of BBA and B.Com. participated actively and asked thoughtful questions. Mr. John addressed queries on topics such as competition, funding sources, business challenges, and strategies in the chocolate industry. His interaction was highly appreciated and well-received by the students.

For the second session, an experiential stall was set up with a chocolate-based theme. A variety of chocolate-based items were sold by the students at the stall, including Macofa chocolates, brownies with ice cream, cream buns, chocolate shakes, ice creams, and doughnuts. In addition a range of entertainment activities were organised, including dart games, ball throwing, and a 'finding the colours' challenge. These interactive and fun-filled games attracted a large crowd and kept the atmosphere vibrant throughout the afternoon. To add an extra spark to the event, the club also presented a flash mob, which added excitement to the overall experience.

The stall achieved complete sales with a good profit, showcasing the success of student-led initiatives. The event provided the students an opportunity to learn from a real-life entrepreneur and gain hands-on experience in marketing, event management, and customer interaction. The collaboration of different departments, active participation of students, and enthusiastic support from faculty made the event memorable and impactful.

International Chess Day with Grandmaster Dr. Jonathan Rowson

The Department of Physical Education and Sports at CVV celebrated International Chess Day with an inspiring chess workshop titled at the LP facility on **'The Moves That Matter — A Chess Grandmaster on the Game of Life',** featuring **Dr. Jonathan Rowson**, renowned Chess Grandmaster, philosopher, writer, and founding



director of the London-based think tank Perspectiva.

The event, began with an inaugural address by Prof. Dr. Manjula R Iyer (Deputy Dean – Academic and Head, School of CKS). A special address by Dr. Rowson's mother added a personal and emotional touch to the celebration.

In his keynote session, Dr. Rowson shared profound insights on the connections between chess, spirituality, decision-making, and personal growth, encouraging students to view chess not merely as a game but as a way of understanding life's deeper moves.

An interactive Q&A session and a simultaneous chess match with student players from the CVV chess team brought practical engagement to the event. Though all four players were defeated, they gained valuable strategic insights directly from the Grandmaster.

The workshop witnessed enthusiastic participation from over 70 students from various departments and campuses, making it a memorable and thought-provoking celebration of mind, sport, and spirit.

PIONEERING SAFE CYBERSPACE

BRIDGING TECHNOLOGY AND LIGHT FOR SECURITY

The IEEE SB CVV and IEEE Women in Engineering (WIE) Affinity Group organised an insightful session titled 'Pioneering Safe Cyberspace: Bridging Technology and Light for Security' on 4th July 2025 from 3:00 PM to 5:00 PM.

The guest speaker, Ms. Rasmi Velambath, Solution Architect at Tata Consultancy Services, delivered an engaging talk highlighting the importance of cybersecurity in today's digital era, the evolving threats in cyberspace, and the critical role technology plays in ensuring security and resilience.

The session aimed to raise awareness among students about safe online practices, emerging technologies in the field of cybersecurity, and career opportunities for young professionals, especially women in engineering.

The event was conducted in an online mode and was broadcast across all classrooms of the LP facility, ensuring maximum participation from students and faculty members. The interactive session concluded with a Q&A segment, where students actively engaged with the speaker to clarify their questions and gain industry insights.

Campus Recruitment Training Programme for B.Tech. Students

As part of the Campus Recruitment Training Programme for 5th-semester students, CVV's Training & Placement Cell, in collaboration with iSkew Learning, launched a comprehensive 50-hour training module aimed at enhancing students' preparation for placement drives on 1 July 2025.

The programme incorporates three core components—Aptitude, Reasoning, and Technical Training—strategically designed to develop problem-solving skills, analytical thinking, and technical competence. Within this framework, Aptitude training covers a wide range of quantitative and logical reasoning topics to improve students' performance in competitive examinations.

At the same time, the Technical Training component focuses on core technical subjects relevant to the students' respective branches, bridging academic learning with industry expectations. The sessions are designed to be interactive and practice-oriented, with topic-wise assessments supporting individual progress.

Pre-Ph.D. Presentation by Ms. Indu George

Ms. Indu George presented her Pre-Ph.D. presentation on 11 July 2025, guided by Dr. Bindusree A.R.

Leader's Lounge Series– Third Edition 2025

The objective of the Leaders' Lounge session is to create an engaging platform for students to interact with distinguished leaders from academia and industry, gain valuable insights into their professional journeys, and understand the mindset, challenges, and values that shape effective leadership. By broadcasting the session across classrooms to over 1000 students, the event aims to inspire a broader audience, promote holistic learning, and cultivate a spirit of curiosity, innovation, and purpose-driven growth in the student community.

In his opening remarks, Prof. Ajay Kapoor, Vice Chancellor of CVV, spoke about the significance of leadership in academia and the need to provide students with opportunities to interact with experts who bring real-world insight to complement classroom learning. Emphasising the importance of bridging the gap between theoretical knowledge and practical application, Prof. Kapoor encouraged students to actively engage in sessions like the Leaders' Lounge, which are designed to cultivate curiosity, initiative, and innovation.

Prof. Kapoor introduced the day's speaker, Dr. K. R. Suresh Nair, Managing Director of Amara Raja Design Alpha Pvt Ltd., whose illustrious contributions to engineering, technology, and entrepreneurship set the tone for an impactful session.

Following the introduction, Dr. Sunitha Grandhee, Dean of Student Affairs at CVV, expressed gratitude on behalf of the University and acknowledged Dr. Nair's commitment to innovation, his leadership in the entrepreneurial ecosystem, and his continued efforts to mentor and inspire young minds. The interactive tone of Dr. Nair's presentation kept the audience intellectually engaged throughout.

The event was organised by the Leaders' Lounge Club at CVV, in collaboration with the Institution's Innovation Council (IIC) and the Innovation and Entrepreneurship Development Centre (IEDC). The event reflected a broader institutional commitment to fostering entrepreneurial thinking and creating an ecosystem where innovation is both encouraged and supported.

Dr. K. R. Suresh Nair was not only enlightening but also deeply motivating. From practical frameworks for innovation to real-world case studies and hard truths about startup failures, the session delivered on all fronts. It succeeded in sparking conversations among students about entrepreneurship, problem-solving, and taking initiative beyond the classroom.

Abdul Samad Wins Gold at Kerala District Wushu Championship

Abdul Samad, a talented Wushu athlete from Kasaragod has won the Gold Medal in the Senior 56 kg category at the Kerala District Wushu Championship held on 21st May at Grandmaster Martial Arts Academy, Cheruvathur.

Abdul, a second-year student at CVV, is currently pursuing his degree in Electronics and Communication Engineering (ECE) at CVV-IST. He undergoes training at Ahape International, Palakkunnu.

Assoc. Prof. Praveen K. M. Speaks at CHORDS 2025

Dr. Praveen K. M., Associate Professor at CVV's Institute of Science and Technology, co-authored two invited talks at the two-day CHORDS 2025 (International Conference on Computation and Humanities: Overlapping Research in Digital Spaces), organised by the Indian Institute of Information Technology (IIIT), Kottayam.

The first talk was on 'Digital Archives and Material Culture: A Computational Approach to Analysing Indigenous Composite Materials in Heritage Objects – An Indian Context' presented by Dr Praveen K. M., and the co-author of the paper Dr Surya Krishna from the Rajagiri College of Management and Applied Sciences, Kakkanad, Kochi.

Certificate No.: IIITK/CHORDS/2025/P/001
Date of Issue: 29.07.2025

CERTIFICATE

OF PAPER PRESENTATION

This certificate is proudly presented to

Dr. Praveen K M & Dr. Surya Krishna

have successfully presented a research paper titled "**Digital Archives and Material Culture: A Computational Approach to Analyzing Indigenous Composite Materials in Heritage Objects – An Indian Context**" at the Two-Day International Conference on Computation and Humanities: Overlapping Research in Digital Spaces, **CHORDS 2025**, organized by Indian Institute of Information Technology Kottayam, Kerala, held on 28th and 29th July 2025.

Dr. Dhanyamol M V, HoD, Department of CS & H
Dr. Ebin Deni Raj, FACTS -H Lab
Dr. Josit Mariya, Coordinator
Dr. Gayathri G R, Coordinator

The second talk on 'Digital Ethnography: Studying Communities Beyond Physical Spaces' was presented by Dr Surya Krishna, along with the co-author of the paper Dr Praveen K. M.

Sharing the Joy of Bhāratīyā Rasavatī at CVV

Dr. M. Sudarshan Chiplunkar (Associate Professor, School of Linguistics and Literary Studies) presented his newly published Sanskrit book, भारतीया रसवती (Bhāratīyā Rasavatī), to the Honourable Registrar Prof. T. Ashokan, respected Managing Trustee Sri Suresh Wadhwani, and Executive Secretary Sri Bhavesh on 3rd July 2025.

The book has been jointly authored by Dr. M. Sudarshan Chiplunkar and Dr. Archana and is the eighth volume in the prestigious Saṁkṣepa Granthahārā series published by Central Sanskrit University, New Delhi.

Bhāratīyā Rasavatī features 50 Indian vegetarian recipes presented in simple and accessible Sanskrit, accompanied by classical references from Pākaśāstra and Āyurveda. Each recipe highlights key ingredients along with their guṇa-s (qualities) and doṣa-s (effects), supported by English translations. The book also includes thematic Sanskrit vocabulary sections, making it a valuable resource for Sanskrit learners and enthusiasts of Indian Knowledge Systems (IKS).

The dignitaries appreciated the innovative integration of Sanskrit with India's rich culinary heritage and congratulated the authors on this creative and meaningful contribution to language, tradition, and holistic wellness.

പുഴയുടെ പുത്രി

ജീവിതമേ മതിയാക്കിയാലും
ഈ പരീക്ഷണങ്ങൾ മൃത്യുവിന് തുല്യമാണ്.
മരിച്ചാലും ഒടുങ്ങാത്ത വേദനകൾ പേറി
ആ ആത്മാവ് അലഞ്ഞു തിരിഞ്ഞു.
ഒരു തുള്ളി ദാഹജലത്തിനായി അവൾ വിങ്ങിയപ്പോൾ
ആരും അവളെ തിരിഞ്ഞു നോക്കിയതേയില്ല.
ദാഹം കലശിച്ചപ്പോൾ
മുന്നിൽ കണ്ട പുഴ ലക്ഷ്യമാക്കി അവൾ നടന്നു.
അഗാധമായ പച്ചപ്പിനെയും ആകാശത്തിനെയും സാക്ഷിയാക്കി അവൾ ചാടി.
കാലം കാത്തിരുന്ന വിധിയെന്ന് അവൾക്ക് ഒരു നിമിഷം തോന്നിപോയി.
സ്വന്തം പുത്രിയെ ഏറ്റുവാങ്ങിയ സന്തോഷത്താൽ പുഴ കലങ്ങി മറഞ്ഞു.
പുഴ അവളെ മാറോട് ചേർത്തു.
ആ തണുപ്പ് അവളെ കമ്പിളി പോൽ മൂടി.
ആ ആത്മാവ് കോരിത്തരിച്ചു.
താൻ ആഗ്രഹിച്ചതെല്ലാം
പുഴ സമ്മാനിച്ചതോടു കൂടി
പിന്നീടാരും അവളെ കണ്ടിട്ടില്ല.
അവളുടെ ഓർമ്മകൾ പോലും ജലത്തിൽ ചാരമായി ലയിച്ചിരുന്നു.

Parvathy Raj
