WORLD-CLASS EDUCATION BUILT ON INDIAN WISDOM

Hari Om!

With both the campuses under lockdown and almost everyone working from home, the working of the University has been quite different during April and hence, the Monthly Roundup for April too is being presented in a different format.

No on-site events took place, and those programmes that could not happen on an online platform had to be called off. On the brighter side, new ideas led to new events, new ways of working and new lessons to learn.
