

About the Competition:

On the occasion of National Education Day we are hosting a Short Video Competition on Implementation of NEP 2020 to raise awareness about the student centric aspects of NEP amongst young people on the Theme: "Know your NEP 2020". The competition is hosted with an aim to encourage young people to tap into their creativity to compose and submit short videos about their experiences with NEP. The competition is also aimed at motivating the youth of India to take advantage of the plethora of learning solutions offered by NEP.

The participant must submit separate short-video entries for any one of the question given below. The length of each short video should be between 45-60 seconds.

- 1. What does NEP mean for India's youth?**
- 2. How will NEP improve the education ecosystem of India?**
- 3. How did your internship experience/industry visit make you job-ready? (Job-readiness and experiential learning)**
- 4. How have you benefited from digital learning through online learning platforms like SWAYAM or NPTEL?**
- 5. How do you think the Academic Bank of Credits will provide value to students in transferring credits between different Higher Education Institutions?**
- 6. How important is it for students to have flexibility to choose subjects based on their interests? (Choice Based Learning)**
- 7. What subjects would you choose as part of your ideal multi-disciplinary programme course curriculum and why? (Multi-disciplinarity/Flexibility)**

8. Engineering courses have been made available in multiple Indian Languages. How is it beneficial for you?

9. India has rich traditional knowledge resources spread across States/ UTs, since ages. What would be the benefits of integration of such ancient knowledge of India with the modern education system to address the future challenges?

10. In what way, the collaboration of Indian HEIs with Foreign HEIs by way of offering Joint Degree, Dual Degree and Twinning programme, will be beneficial to you? 11. National Credit Framework (NCrF) & National Higher Education Qualification Framework (NHEQF), which attempt to align Indian education system with the Global education system. How will it allow you to pursue the course of study as per your choice, pace and convenience?

Objective of Short-Video Competition:
