About Chinmaya Vishwa Vidyapeeth

Chinmaya Vishwa Vidyapeeth (CVV) is the only deemed to be university (recognised by UGC) with immense potential in the 'de novo' category in Kerala. Established in 2017, its core mission is to blend the ancient and time-tested wisdom of India with present-day knowledge fields. With campuses in Kerala and Maharashtra, CVV offers a vibrant student life through holistic development that is guided by its core values. It offers programmes with over 20 options at the UG, PG, integrated, and doctoral levels that align with blending traditional and contemporary knowledge in the streams of engineering, commerce, management, psychology, Sanskrit, and education (English and Mathematics). All its programmes are approved by the respective bodies such as AICTE and NCTE. The University is also an active member of the Association of Indian Universities (AIU). CVV's well-equipped classrooms and cutting-edge lab facilities are meticulously designed to ensure a seamless integration of theoretical knowledge and practical application. CVV provides a nurturing environment where students can explore, experiment, and push boundaries. The majority of our faculty members hold Ph.D. qualifications, showcasing a high level of expertise.

CVV Advantage

- ◆ A learning curriculum that is **geared to meet the requirements** of the future workplace
- ◆ Experienced faculty with **national and international expertise** and innovative teaching methodologies
- ◆ **The flexibility to design**, to a great extent, the output one wants from the chosen programme
- ◆ Pedagogy designed to **encourage research** and internships to **provide hands-on learning** and experience
- ◆ Option to explore **cross-disciplinary courses** outside the chosen domain
- ◆ **Value-based education** at the university level
- ◆ **Internship and Placement Cell** that prepares and assists in placements
- ◆ Common streams of courses with **unique electives** that nurture strengths as well as passion
- ◆ Programmes with a modern curriculum, which is an **innovative blend of Indian Knowledge Systems** and **Contemporary Knowledge Systems**
- ◆ **International exposure & global internships** to equip students with current industry requirements
