PhD Progress Report

Part I:

1. **Applicant Name (Full name):**
2. **University email address:**
3. **PhD Registration Number:**
4. **PhD Start Date:**
5. **School Affiliation:**
6. **Name of the Research Guide:**
7. **Name of the Co-Guide :**
8. **PhD Thesis Title:**
9. **Progress report form for the period from :**

Part II:

Please give precise information of your research work:

Sl. No.	**Title**	**Progress of your Research Work**
1	Scope of the Study	

2	Identification of the objectives	
3	Methodology	
4	Submitted Research Design	
5	Details of the No. of Literature Reviews done so far	
6	Details of the Field Survey	
7	Analysis	
8.	Details of submission of articles for journal review for publication in the last six months	
9	If applicable, please provide the working title, all authors, name of journal and journal impact factor and also the status of this submission.	

	Details of attending any professional conferences related to your research topic. If so, please provide the date, name of the conference, and location.	

Part III:

Teaching and other Activities:

Sl. No.	**Topics**	**Details**
1	List any class that you taught in the last six months	
2	List any student associations in which you participated during the last six months	
3	List any committees on which you served during the last six months:	
4	Provide any other information that you think is relevant under the head	

Part IV

Research Progression Report by the scholar:

4.1 Outline below your progress and achievements over the last six months. Indicate what milestones have been achieved, include details of what chapters or sections of your thesis have been written in draft or final form.

Course code	Course Title	Credits	Grade

4.2 Outline below your research goals for the next six months. Indicate what milestones have been set for the next 6 months, including detailing what chapters or sections of your thesis you plan to write in this period.

4.3 How often and by what means do you and your Research Advisory Team maintain contact? Detail the means of contact (e.g., face-to-face; email; phone etc.) and the frequency of each.

4.4 Have you met with the advisory committee during the reporting period?

I confirm that the above is a fair record of my progress.
