About the University

Chinmaya Vishwavidyapeeth (CVV) is a Deemed-to-be-University established in the year 2017 under the 'de novo' category during the centenary year of the inspirational Visionary and Founder of Chinmaya Mission, and renowned Vedantic master and teacher par excellence, Swami Chinmayananda. CVV, with its main campus at Chinmaya Eswar Gurukula, Adi Sankara Nilayam, Veliyanad, Ernakulam, Kerala, functions as a torchbearer for the preservation of Indian cultural heritage and its knowledge traditions through higher education.

Founded on the principles of Purity, Spirituality, Practicality and Innovation, CVV's core mission is to blend the time-tested wisdom of India with present-day knowledge fields. Striking a careful balance between the old and new, the Institution offers common streams of courses with unique electives and interdisciplinary courses, with an intent to mould the teenagers of today into well-rounded, responsible, value-grounded, young adults who contribute to the nation, and the world at large.

Our Campus

Vision

विद्यया रक्षिता संस्कृतिः सर्वदा ।
संस्कृतेर्मानवाः संस्कृता भूरिदाः ॥
Knowledge protects culture forever;
Cultured people share abundantly.

Mission

Chinmaya Vishwavidyapeeth aims to create an academic platform that bridges Indian Knowledge Traditions (IKT) with current-day applications in every sphere of society. The goal of the university is to exceed excellence in higher learning and research with the objective of exploring, conserving and sharing the contemporary relevance of Indian cultural heritage and Indian Knowledge Traditions (IKT). The university aims to integrate the best practices of modern pedagogical advances with the beauty of traditional Gurukula model of learning and prepare students to address contemporary challenges, inspiring them to enable a positive impact on the world as confident and cultured contributors to society.

Core Values

Chinmaya Vishwavidyapeeth envisions Spirituality, Purity, Practicality and Innovation as its foundational principles. All activities of the University are to be aligned to these foundational principles, as articulated below:

- **Spirituality:** *The personal quest that leads the individual to an appreciation of a higher Reality.*
  The philosophy of Vedanta and the wisdom of the saints have always guided humanity to this larger vision of life. Students will be encouraged to listen, read, and reflect upon such a body of spiritual literature that is conducive to their inner refinement and self-unfoldment. All academics offered at the Chinmaya Vishwavidyapeeth will therefore be aligned to encourage such a quest.

- **Purity:** *Communicating the wisdom of Indian knowledge systems through their source texts.*
  This will go a long way in nourishing ancient Indian knowledge traditions and creating living repositories who will in turn nurture the tradition for the future. Knowledge of Sanskrit will be a key enabler for the study of original sources.

- **Practicality:** *Relevance of the ancient to blend with the needs of a modern age.*
  While maintaining the highest degree of academic rigour, the University will provide specifically designed courses that will lead the student to a respectable living through gainful employment.

- **Innovation:** *Sparking the intellect of the modern youth through conceptual and strategic innovation.*
  The University aims to transfer the wealth of many thousands of years through innovative pedagogy, teaching methodologies, content and nature of the programmes. The University will strive to be progressive, while retaining the continuity of current best practices.

Chinmaya Vishwavidyapeeth strikes a careful balance between the old and new, breaking new ground where necessary and adopting the positives and goodness of the ancient, but always leaning towards the winds of innovation.

Departments

At Chinmaya Vishwavidyapeeth (CVV), academic departments are manned with faculty who are engaged in teaching the students and the non-academic departments are staffed with persons to support the academic and administrative functions. As such, the departments fall under two categories:

- Academic Departments

Programmes Offered in 2017-18

Chinmaya Vishwavidyapeeth offers undergraduate and postgraduate programmes in the knowledge streams of Sanskrit, Business Administration and Commerce at the Chinmaya Eswar Gurukula campus, Ernakulam, Kerala. The programmes in Performing Arts are offered at Chinmaya Naada Bindu Gurukula campus, Pune. Choice Based Credit System (CBCS) is followed in the curriculum of all programmes offered by the University.

Programmes at Chinmaya Eswar Gurukula (Main Campus)

UG Programmes

The UG programmes of the University consist of a blend of the traditional knowledge systems with modern streams such as Business Administration and Commerce.

BA (Sanskrit)

BA (Sanskrit) programme is designed to develop the first level yet comprehensive understanding of the Sanskrit Language and the grammatical aspects of the language. The courses lead the student to deeper aspects of grammar required for an undergraduate programme and prepares him/her to take up specialised studies through a PG programme. The curriculum also includes a set of minor courses which allows the students to take courses from even modern subjects such as Marketing and Human Behaviour thus making them all round in their perspectives and learnings.

Bachelor of Business Administration (BBA)

The BBA programme equips the students with the key functional inputs and prepares the students either to take up their first corporate job or facilitates them for a higher degree in the chosen subject specialisation. The curriculum offers three sub-streams for the students to further specialise vis. Marketing, HR and Finance.

Bachelor of Commerce (B.Com.)

B.Com. is a first-level degree that opens up multiple opportunities for the students as they graduate. Therefore, the course design seeks to impart valuable skill sets to the students in the areas of finance, accounting and taxation. A graduate of the programme will be able to set out with a vision to have a long career in any of the chosen areas of Business and Commerce. Further, they will be better equipped to take up professional examinations and higher studies in their chosen area of interest.

PG Programmes

The postgraduate programmes are tailored for students who wish to enhance their knowledge of the world and their own self, through an in-depth study of Indian Knowledge Systems. The courses in the programmes are intended to guide students to use detailed knowledge of traditional disciplines, as also to engage with, and master contemporary issues. Students completing these programmes will be equipped to pursue multiple life paths; whether it be academic, research, teaching or professional employment.

MA (Sanskrit)

The MA (Sanskrit) programme is a one-of-its-kind offering that provides students with a basis for understanding the caturdaśa-vidyāsthānam, the fourteen repositories of Indian Knowledge Traditions. Unlike most programmes offered in this field, which only look at the caturdaśa-vidyāsthānam in isolated parts, this PG programme will make students aware of the core ideas of each of these fourteen components, such that they can discern the ancient Indian way of thinking and analysing the world. Renowned texts like the Bhagavad Gita will be taught from different perspectives.

PG Diploma in Youth Empowerment and Philosophy

PG Diploma in Youth Empowerment and Philosophy is a unique value-based post-graduate leadership programme for the dynamic youth who want to empower themselves and the society, who want to serve the nation positively and make a real difference. The curriculum covers the fundamentals of Vedanta and Philosophy, leadership skills, yoga, sports and games, training in various life skills, Vedic Chanting and an overview of Hindu culture. Rural and social service exposure is also given.

Programmes at Chinmaya Naada Bindu Gurukula(Off-campus Centre)

The Off-campus Centre at Chinmaya Naada Bindu Gurukula, Pune offers Performing Arts programmes in the gurukula mode.

Five-Year Integrated (BA (Music) - MA (Music)) - Hindustani Vocal, Bansuri, Tabla

The University offers a five-year Integrated (BA (Music) - MA (Music)) programme in the following streams: Hindustani Vocal, Bansuri and Tabla. The programme is delivered in the Gurukula mode, wherein the student plans for a five-year stay. These programmes would enable students to specialise and develop expertise in the chosen performing art. Extensive practical training is offered in these art forms to help students gain broader insight, strong techniques and evolved performance skills.
