Discovering Indian Knowledge Systems

Embark on a captivating voyage into the realm of Indian Knowledge Systems (IKS) - an endeavor brought to life in collaboration with the esteemed Chinmaya Vishwa Vidyapeeth (CVV) – a pioneering institution that seamlessly intertwines the age-old wisdom of Indic Knowledge with Contemporary Knowledge Systems.

Engaging with Distinguished Scholars

Prepare to be enthralled by the presence of eminent scholars from the IKS field. They will immerse you in a diverse range of topics, encompassing everything from Arthashastra, Sanskrit, and Environment to Sustainable Living, Classical Music, Management, Literature, and Science. Engage in thought-provoking talks, insightful panel discussions, and dynamic Q&A sessions that reveal the timeless wisdom hidden within these subjects.

A Symphony of Knowledge and Culture

Enrich your senses with a soul-stirring musical session by Chinmaya Nada Bindu, the performing arts wing of CVV. Delve into the melodies that resonate with the essence of our heritage. Immerse yourself in an immersive live exhibition, meticulously curated by dedicated volunteers of Chinmaya Mission (Kolkata) and CVV. This exhibition offers profound insights into various facets of Indic Knowledge, giving you a glimpse into its depth and significance.

Illuminate Intriguing Inquiries

Join us as we unravel fascinating questions under the guidance of our distinguished experts:

- How did ancient Bharat perceive a spectrum of subjects?
- What enduring wisdom does IKS offer individuals of all ages?
- How can the wealth of IKS resonate with today's Indian youth?
- How can we bridge the gap in the present to fully embrace IKS?

and many more……

Rediscovering Integrative Knowledge

The Chinmaya Indic Fest celebrates IKS as an age-old, vibrant, and integral system that plunges into the depths of self-awareness, the complexities of the world around us, and the symbiotic relationship between the two– a unity which even Modern Science now acknowledges. It embodies a transformative system that harmonizes both the Standard of Living and the Standard of Life, a vital yet often overlooked element in our contemporary human development.

A Common Platform for Curious Minds

This festival serves as a collective platform for the intellectually curious and earnest learners, transcending diverse backgrounds - academia, research and professional spheres. Most importantly, it calls upon students to explore the profound layers of our heritage before this treasure trove of knowledge is reintroduced to us, often without the proper acknowledgment it deserves.

About us

Chinmaya Mission

Chinmaya Mission® is a worldwide spiritual, educational and charitable organization founded in 1953 by devotees of the young Swami Chinmayananda. Inspired by the talks, integrity and dynamism and the living example of Gurudev who, through expounding the knowledge of Advaita Vedanta has sparked the minds and hearts of people the world over, to learn, serve and grow into positive contributors to the society, Chinmaya Mission has changed the way people thought of spirituality. Texts such as the Bhagavad Gita, introductory texts called Prakarana Granthas, and the Upanishads are studied, discussed and explored. This universal knowledge is shared in ways that today's mind can grasp, through Gyana Yajnas, Camps, Workshops, Theatrical Performances and of course consistent reflection through study classes. Presently, headed by His Holiness Swami Swaroopananda, the Mission is administered by Central Chinmaya Mission Trust (CCMT) in Mumbai, India.

Chinmaya Vishwa Vidyapeeth

Chinmaya Vishwa Vidyapeeth (CVV) is a deemed to be university under the 'de novo' category recognised by the University Grants Commission (UGC). The university was established in 2016 by the Chinmaya Mission, a worldwide organisation founded by Swami Chinmayananda, and is located in Ernakulam, Kerala, India. It has its headquarters at the Chinmaya International Foundation (Adi Sankara Nilayam, Ernakulam) and has been established as a torchbearer for the preservation of India's cultural heritage and knowledge traditions through higher education. The university aims to create a new generation of scholars and researchers who can contribute to the development and dissemination of knowledge with a global mind that is rooted in India's rich cultural heritage.
