13th Meeting of Academic Council
Agenda Points through Circular

1. Certificate program on Hindu Chaplaincy

The Certificate program on Hindu Chaplaincy has been conceived to address the spiritual and psychological needs of the Hindu community especially living in the countries outside India. The primary objective of the program is to train students on Hindu Chaplaincy.
The program will be conducted in blended mode. It consists of 4 courses and has the duration of a semester. The total number of credits for this program is 14. The courses are open to the non-degree seeking students, provided that they have the necessary prerequisites. Following are the courses taught under this program:

1. Introduction to Chaplaincy – 3 Credits (To be approved by the Academic Council)
2. Introduction to Guidance and Counselling - 3 credits (already approved by the AC)
3. Any one course from the following basket:
    a. Itihāsa: A multidimensional Exploration - 4 credits (already approved by AC)
    b. Dharma and Nīti : Indic Perspectives on Human Organisation - 4 credits (already approved by AC)
    c. Indian concepts and theories in Psychology – 4 credits (already approved by AC)

A student who satisfactorily completes all the 3 courses and attains 10 credits in total will be given a certificate in the Hindu Chaplaincy and the name of the respective course/s will be mentioned in the transcript.
There will be a CVV faculty coordinator for each course. There will also be a Program coordinator for facilitating the students to register for the program.

Approval sought for:

- Course: Introduction to Chaplaincy.
- Programme: Certificate program on Hindu Chaplaincy.

Resolution
Resolved that the course Introduction to Chaplaincy be approved and the certificate programme in Chaplaincy be approved.

2. Approval for Certificate course and elective on Music Production and Applied Skills

It is proposed to offer a certificate course and an elective on Music Production and Applied Skills. The target students shall be external participants for Certificate course and the students of MA Music for elective course. Approval is sought for the course Music Production and Applied Skills. (BoS Minutes)

Resolution
Resolved that the proposed Certificate course and elective course for MA Music programme, Music Production and Applied Skills be approved.

3. Regulations of Integrated Masters: Correction in typo

The cumulative total credits to be earned by a student to exit at three years from the five-year Integrated Masters – Advaita Vedanta and Integrated Masters – Vyakarana programmes is 114 and 112 respectively, as per the approved regulations. However, in the regulations part of the programme, this is inadvertently specified as 116 credits instead of 114 credits and 112 credits respectively for the two programmes, which requires to be corrected. Approval is sought for correcting the regulations to sync with the total credits in the programme structure. Corrected regulations are attached in the links below.

1. Integrated Masters – Advaita Vednta
2. Integrated Masters – Vyakarana

Resolution
Resolved that the corrections in the regulations of Integrated Masters – Advaita Vedanta and Integrated Masters – Vyakarana regarding the total credits of 114 and 112 be approved.
